questions openly. He appeared to be enthusiastic about his position and would like to continue to serve in that manner. He is the owner and operator of a used car business in Omaha. He fills the used car position on the Motor Vehicle Industry Licensing Board and we feel that he makes an excellent candidate and would request your confirmation for his reappointment. Thank you.

PRESIDENT MOUL: Thank you, Senator Kristensen. Is there anyone wishing to speak on this? If not, we will proceed to vote on the confirmation of Mr. Denny Miller to the Motor Vehicle Industry Licensing Board. All those in favor please say aye. Machine vote. All those in favor please vote aye, nay opposed. Have you all voted on the confirmation? Senator Kristensen.

SENATOR KRISTENSEN: Madam President, I would hate to make a call of the house this morning and so I would ask the members who are around if they would please come in and give us a little help so we can get this confirmation done and move on to more important things this morning.

PRESIDENT MOUL: Please record, Mr. Clerk.

CLERK: 26 ayes, 0 nays, Madam President, on the adoption of the Transportation Committee confirmation report.

PRESIDENT MOUL: The report is adopted and Mr. Miller is confirmed. Mr. Clerk.

CLERK: Madam President, the next confirmation report is offered by the Business and Labor Committee, Chaired by Senator Coordsen. It reports on the appointment of Mr. Verne Moore to the Commission for Industrial Relations. (See pages 642-43 of the Legislative Journal.)

PRESIDENT MOUL: Senator Coordsen.

SENATOR COORDSEN: Thank you, Madam President, and members of the body, Business and Labor Committee would like to recommend to the Legislature for confirmation Mr. Verne Moore as a member of the Commission on Industrial Relations. Mr. Moore has practiced law in Omaha for over 20 years, has been a member of the CIR for the last six months as a judge on the Commission of Industrial Relations. He answered our questions as to his knowledge of this field of law and we feel, the Business and
